DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., WEDNESDAY, NOVEMBER 10, 1909.

ONE COPY—ONE CENT.

THE DINKY 'RAH BOYS.

The country boys have come to town  
To take a course in school,  
No matter if they have good sense,  
They'll learn to act the fool.

They wear those little dinky caps,  
Smoke pipes that make them sick,  
And prattle out their baby talk—  
"My kingdom for a brick."

The streetcar is the only place  
That gives them half a chance  
To show their many silly ways,  
And crazy fitting pants.

Their peanuts, pop and fulgers,  
Are purchased on account.  
Poor dad, down on the dairy farm,  
Must forward the amount.

In Bourbon, J. C. Leer, the largest independent tobacco buyer of the county, has purchased this season from seven hundred and fifty thousand to one million pounds of tobacco of 1909, ranging in prices from \$10 to \$15 per hundred pounds. Most of this was purchased while the pool was in doubt. Considerable tobacco is left, which has neither been pooled nor sold.

It is said that Dr. J. R. Cooper, who was elected Councilman in this city from the Second Ward on the Citizens' ticket, forgot to register and did not even go to the polls on election day. Now, if he wants to continue this civic record he will never attend a meeting of the City Council and forget that there are such things as municipal duties.

## FROM THE NUMBER OF CRAVENETTE COATS

We have already sold thus early this surely is a Cravenette season. Our close connection with the largest manufacturers of Cravenette garments in the country makes it possible for us to offer of a fresh shipment a beautiful Waterproof Cravenette at \$16.50 that is fully worth and sells everywhere for \$20. Some of them have automobile collars and lapels and others plain collars. We want you to see this garment, and if interested come early; they will not last long.

The best and most convincing recommendation we can give our Shoes is that we warrant every pair to give reasonable satisfaction. If they do not, "we make good." This accounts for us doing the good Men's and Boys' Shoe business of Maysville.

It is gratifying to us that upon our advice you have compared our fifty-cent (\$0.50) Underwear with others in town and were quickly convinced that ours is the best fifty-cent Underwear sold in Maysville.

BE SURE AND GET TICKETS ON OUR MOTOR BUGGY.

A professional tramp was taking in the city yesterday and for a time had things pretty much his own way until he fell into the hands of Chief Ort, and it is safe to say he was taught a lesson that he will remember for some time. Mr. Hoho would visit a residence and in a threatening manner demand of the lady of the house something to eat, and if his demands were not complied with immediately he became insulting and abusive. He now languishes in Jail.

## GEORGE WALTER BLATTERMAN, JR.

His Remains Will Arrive Tomorrow From St. Louis For Interment

The remains of George Walter Blatterman Jr., formerly of this city, who died Sunday noon in a St. Hospital, will arrive here tomorrow over the C. and O., and will be met at the train by his son, Shelby M. Blatterman, and a number of relatives and friends here and taken direct to the home of his son in West Fourth street, where, at 2:30 o'clock Thursday afternoon, brief funeral services will be held by Rev. Maurice Waller of the Presbyterian faith, of which deceased was a member, the interment following in the Maysville Cemetery. His brother, Baron, will accompany the body here.

Walter Blatterman, besides possessing an elegant personality and a wonderfully pleasing address, was a grandson of Richard Collins, the noted Kentucky historian, his distinguished mother, Miss Eleanor Collins, who married Mr. George W. Blatterman, being Mr. Collins' daughter. The Collins' and the Blattermans were among the most learned and cultured families of Kentucky and the South.

Walter was full of buoyant, bounding health, and in elasticity of spirit and demeanor, he became a great social favorite and made a success of everything he undertook. His faults are shared by all the human family and we now remember him as the handsome, courtly and polished gentleman, whose looks and bearing were those of the superlatively distinguished American and Kentuckian.

The pall bearers will be John C. Pecor, J. B. Dunnett, J. C. Everett, Charles E. Smith, H. C. Carson and Ross Owens.

The venerable father, Mr. George W. Blatterman, now in his 87th year and a resident of Charleston, W. Va., is too feeble to attend his son's funeral. His sister, Mrs. Walter Brooks of Charleston, is here, but Miss Katie will not reach here.

Walter was born in this city May 8th, 1859, in the residence now owned by Hon. J. N. Kehoe in West Second street, and was 50 years of age.

## Record Shipment From Memphis—Memphis Increasing Tremendously as a Shipping Point

In an interview with the Hegg-Ellis Drug Company, one of the largest firms of wholesalers in the Southern States, they stated that the demand for Q-Ban Hair Restorer and Q-Ban Hair Tonic was growing to unprecedented proportions. So great has the market become for these preparations that druggists are ordering of them in greater quantities than of any other preparations compounded for the same purpose.

The offer made by the compounders of Q-Ban Hair Restorer and Q-Ban Hair Tonic is unique. You can go to any druggist and buy 6 packages of Q-Ban Hair Restorer, one at a time, and if after using the sixth bottle the color of your hair has not been changed to the color of youth, any druggist will give you an order on the manufacturers to refund to you your money. The Hair TONIC is intended for use by gray haired people, as well as those who are not. A daily application of the Hair Tonic will, it is said, positively increase the growth of the hair from three to six inches per year until the limit of growth has been reached.

The preparations will keep the hair in a perfectly healthy condition and will eradicate dandruff, stop falling hair, correct eczematous conditions, etc. No woman should be without a bottle of the Q-Ban Hair Tonic. Its use is a delightful habit. For sale at all druggists. Ask your druggist about the guarantee on Q-Ban Hair preparations.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hegg-Ellis Drug Co., Memphis, Tennessee."

### Men Are as Helpless as Children When Taken Suddenly Ill— Here is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill. The sturdiest chap in town usually loses his self-control, and is utterly unable to regard his condition with the common sense that characterizes his every day actions.

For example: He comes home tired, eats a heavy dinner, and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" creep over him, and in his agony he fears the worst.

His trouble was acute indigestion brought on by overloading his tired stomach.

A couple of Dyspepsia Tablets would have given him instant relief—would have saved hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket, or keep them in your room. Take one after each heavy meal and indigestion will not bother you.

Rexall Dyspepsia Tablets remedy stomach troubles by supplying the one element, the absence of which in the gastric juices causes indigestion and dyspepsia. They aid the stomach to digest food and to quickly convert it into rich red blood and material necessary for overcoming natural body waste.

I know what Rexall Dyspepsia Tablets are and what they will do. I guarantee them to relieve indigestion and dyspepsia. If they fail I will refund your money. Three sizes: 25 cents, 50 cents and \$1. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenueth.

### DISEASE ORIGINATES IN THE BLOOD

Pure blood is a safe-guard against disease. Keep your blood rich in iron, and its essential elements, and the body will be healthy, strong and well. The best way to administer iron is by taking VINOL, which is a combination of the medicinal elements of Cod Liver Oil and Tonic Iron; it makes red blood corpuscles and thus creates strength quicker than any other method.

BERRYMAN—HUGHES.

At the home of Mr. George Hughes of the county yesterday afternoon his daughter, Miss Elizabeth, was married to Mr. C. W. Berryman, by Rev. Roger L. Clark of this city. It was a sweet wedding of simplicity, and yet had that dignity of character that gives to Kentucky its right to claim its women as true worth and men of nobility. The bride looked and her spirit gave expression of being wedded by love, while the groom had the air of one who felt the responsibility and was glad to assume it. Many friends gathered and brought offering of love and affection, and wished them well. Miss Irene, sister of the bride, played the wedding march as they descended the stairway to the parlor, which was beautiful.

## DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testi-  
monial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
